The 2019 Perth Garden Festival will be held at McCallum Park, Victoria Park on Thursday 11th to Sunday 14th April. With its central and easily accessible location, located off Canning Highway on Taylor and Garland Street, McCallum Park will transform into a colourful and vibrant outdoor festival.

SHOW GARDEN SITES

The Perth Garden Festival is owned by the Nurseries and Garden Industry of Western Australian (NGIWA) and is Western Australia's oldest and most prestigious gardening and outdoor living event. The 2018 event attracted over 34,000 visitors.

Our commitment is to provide the Western Australian public with a world class gardening event. To achieve this we have placed significant importance on the establishment of a high quality Landscape Design Competition. This area of the event, more commonly referred to as the Show Gardens, is without question one of the key drawcards for the public audience. As a result we have and will continue to invest into Landscape Designers who choose to participate.

Landscape Designers are provided with the opportunity to secure COMPLIMENTARY sites. There are no administrative fees whatsoever.

Accepted applicants receive their choice of:

1. Flat land of size 10x15m (150sqm)
 2. Flat land of size 10x10 (100sqm)
 3. Flat land of size 5x5 (25sqm)
- Build access will be a minimum of 10 days and may extend to 14 days upon council approval (TBC);
 - Marketing exposure including live weather crosses on the Channel Nine news along with possible live radio broadcasts taking place at the Show Garden sites. Social media and website marketing will be prominent;
 - Networking opportunities with industry related businesses;

Due to the competition element of the Show Gardens, there is an expected level of quality required. Applicants are required to submit a design plan no later than February 12 that will be assessed by industry authorities. If modifications are required, this information will be provided to the designer to ensure that minimum competition standards are met.

The Show Garden judging will take place between 3pm and 5pm on Wednesday 10th April. A 'Judging Criteria' will be sent to all approved Landscape Designers following acceptance of the design plans after February 12. A limited number of sites are available, so please submit your applications promptly to Chris Billings at Chris.Billings@cspports.com.au or for further information phone 9436 0250.
